CSI Event

Years 3 and 4 had a very exciting time this week taking part in their own Crime Scene Investigation. It was a real Forensic Science Whodunit Challenge about a “crime” that took place at the school. The children examined the crime scene and carried out forensic practical tasks to find out who killed ‘Ben’ a fictitious member of the caretaking team. The suspects were then put on trial and the culprit brought to justice.

Thank you to the PTA for making this event possible.

Gardening Club

Mr. Hogg's lunchtime gardening club has got off to a wonderful start - thank you to those who helped clear out the vegetable growing boxes this week! There is a weekly rota for pupils attending this club, allowing all pupils with an interest in gardening and the outdoors a chance to take part.

Continuing the gardening theme, we would like to say a very big “Thank You” to Ellie in Year 3’s family who have kindly arranged a donation of a range of herbs and plants from Jack and Jo's plant nursery in Ryton. Mr. Hogg has been very busy planting them across the school grounds!

Wellies

Please can children remember to bring wellies or outdoor shoes to wear at playtimes, especially for when we are able to use the school field. These can be kept in school throughout the week for regular use.

Break the Rules Day

Break the Rules Day is here again on Friday 28th January! We are giving the children a chance to break some school rules for the day.

We’re raising money for the PTA and every contribution helps, the more we raise, the more we can use to add the nice little extras to your child’s school experience.

The children can break up to a maximum of five rules – with a 50p ‘fine’ for each rule broken.

The children across school have decided to break the following rules:

1. No different hair (crazy hair)
2. No juice in bottles
3. No home clothes
4. No "hard work"
5. No nail varnish

Thank you in advance for all contributions. Let’s make this a great day for our children.
