

## Pupil ICT and Internet Acceptable Use Agreement

### (Early Years Foundation Stage/Key Stage 1)

This is how we stay safe when we use computers/tablets:

- I will ask a teacher or suitable adult if I want to use the computers/tablets.
- I will not tell anyone my password or use someone else's password.
- I will only use activities that a teacher or suitable adult has told or allowed me to use.
- I will take care of the computer and other equipment.
- I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong.
- I will tell a teacher or suitable adult if I see something that upsets or worries me on the screen.
- I will never do anything on the computer that could be unkind or upset someone.
- I will not bring in any device which can take photos or access the internet without permission from my teacher.

**I understand that the school will monitor everything I do on the computers/tablets and I know that if I break the rules I might not be allowed to use the computers/tablets.**
